

Sale Name: Metro Impound Lot Car, Truck, Suv & Trailer Auction January 2024

LOT 3 - Paperwork Provided To Buyers For Acquiring Title

Description

Paperwork you will receive from the Impound Lot for these vehicles will be the following: Paid In Full Invoice upon us receiving full payment, a legal letter from LMPD stating you purchased it lawfully and that they complied with the Kentucky Revised Statutes also including a description of the vehicle purchased. The buyer will receive copies of the certified mail tracking receipts showing that the owner and lien holders (if they were in the system) were notified along with a signed VTR form (Kentucky state specific vehicle transfer form) for Kentucky residents. If you are out of state, make sure to check with your own state's DMV to see if these documents are enough to obtain title in your state as no other documents will be provided from LMPD. Please note that the DMV issues titles and not the Impound Lot. This is an informational sign post and does not require bidding. If you would however like to leave a tip for the auction company just place it here. Tips are appreciated!

Quantity: 1
